

Butler County Educational Unit Tracking Form

To facilitate the renewal process, this form should be used to maintain a log of hours of professional development activities for which you do not receive certificates of attendance. This can include committee work, research projects, serving as a cooperating teacher, mentoring, etc. Should you have any questions, see your LPDC representative.

Description of Activity (directly related to your IPDP)	Date	Hours	Ohio Educator Standard (number)	Authorized Signature (chair or supervisor)
