

# Growth Mindset in the Classroom

- Dates:** **Thursday, February 7, 2019**
- Time:** **8:30 AM – 3:30 PM**
- Location:** **Butler County Educational Service Center**  
400 North Erie Blvd., Suite A, Hamilton, OH 45011
- Description:** In her book *Mindset: The New Psychology of Success*, Carol Dweck discusses how a student’s mindset toward intelligence and learning can profoundly affect their efforts and accomplishments. See how these ideas can be applied to the classroom in support of a climate of perseverance and risk-taking. Participants will dig into the ideas behind Growth Mindset, explore resources, and develop specific plans for implementing this mindset in their classrooms.
- Instructor:** **David Vernot**  
BCESC Curriculum Consultant
- Cost:** **\$90 per person**
- Register:** Visit the Training and Workshops page at [bcesc.org](http://bcesc.org).
- Credit:** Attendees will receive 6 contact hours.

Empowering educators to invigorate their practice with passion, joy, and effectiveness.
